To whom it may concern,

Manal Salem Alyami has worked with my Department for the past 8 weeks, where she has helped tremendously on creating a Knowledge Management Directory and Simulator Locator Dashboard in Power BI. Her professionalism while creating these business-critical tools was some the best I've experienced working in Saudi Arabia.

Manal has been punctual everyday and stays working on her projects until the end of the work day with minimal breaks. She would be an asset to any company in the IT or programming department.

Please don't hesitate to contact me for any questions you might have.

Best Regards,

LSSD
